Eighteen page booklet offering balanced advice.

Jamison, Rita. ADHD Understanding, Evaluating, and Getting Help Faith Resources, [www.frlafayette.org](http://www.frlafayette.org)  
This is an excellent little (30 pages) booklet that overviews the diagnostic criteria for ADHD and addresses it from a heart - the thoughts, attitudes, and motives of the child. The author has worked many years in special education in the public school system.

Backus, Sharon. Running the Christian Race Helping the Child Labeled ADD/ADHD. Faith Resources, [www.frlafayette.org](http://www.frlafayette.org)  
This spiral bound book is composed of fourteen lessons designed to address behaviors common among children labeled ADD/ADHD, although the lessons would benefit all of us. It is designed to be used in the home or classroom, for individual or group training. Each topic is covered over the course of the week using a Bible story, memory verse(s) and activities.

Priolo, Lou. The Heart of Anger. Calvary Press [www.calvarypress.com](http://www.calvarypress.com) ISBN 978-1-879737-28-0  
This book deals with anger in a child. The author has a book/workbook for teens also. The same principles apply. The book is for parents to read. The workbooks are for the students.
